Subject: Urgent prayers needed - Bagdad, IRAQ

Greetings in Jesus name.

The situation for the Christians has being deteriorated badly within the last 36 hours, as ISIS has overtake new areas:

- Sinjar (North west of Mosel) and around = 30,000-plus being scattered around and on mountains as they were fleeing for their lives.
- Telkeif; Batnai; Tel Esquff (I.e. Bishops hill); Bartella; Qara-quash; Al Gure; Ba'ashiq; Bahzani.

Apart from Sinjar which is a mix of minorities, all the above mentioned cities are mainly Christians. ISIS has attack churches and raise their flags on churches; and call upon their gods inside our churches.

There was a massive exile yesterday and all night as the the Kurdish army have left their position and fled for their lives, thence people walked out leaving every thing behind just fleeing for their lives - I mean everything.

I was on the phone all night on the phone with brothers and sisters trying to help them find some sort of shelters as Erbil and Duhok were over-occupied. Families covered streets; kerbs; schools & parks. All churches ground being occupied with families. It's a symbol of the abomination surfaced and emerged recently in this land.

We have called for urgent fasting and prayers. I believe it's a spiritual warfare more than a ground battle. During my personal prayer and the intercessory group's prayers I found it's the old days monster, the old stingy serpent filled with hate and poison.

In Sinjar, they kidnap young girls and women and sold them as slaves. Kids and seniors died of thirst and hunger on the mountains.

I trust the Almighty for a Divine intervention, yet we need an urgent move of the Holy Spirit to turn the scale & balance of the situation on the ground.

We need all sort of help:

- We need you pressing on your government and authorities to step foreword and get involved.
- We need NGO to mobilise their gears and move into the country to save life and treat the injuries.
- We need supports to provide: food; medications; shelters; clean waters; baby milk, etc.
- Your prayers and intercessors will make a big difference.

May the Almighty bless richly always, Amen. Thank you

Sincerely Yours,
